ALCONA COUNTY AMATEUR	RADIO	GROUP	INFORMATION NET
(Date	_/	/)

QST, QST, QST. This is <u>Call, Name & Location</u>, Net Control Station for the Alcona County Amateur Radio Group Information Net. The primary purpose of this net is to provide a forum for training and to organize and coordinate volunteer emergency, disaster and public service communications for Alcona County and surrounding areas. (*Unkey*)

Although this net is based in Alcona County, all amateurs on frequency are welcome and encouraged to check-in. You do not have to be a member of A.R.E.S., R.A.C.E.S., Skywarn or the ARRL to check-in. If you wish to become a member, please contact Net Control after the net for registration information. This is a directed, formal net. All stations are asked to transmit only when recognized by Net Control. Before we begin, is there any emergency traffic? PLEASE CALL NOW. (unkey)

If during the net anyone has emergency traffic, please contact Net Control immediately. Again, your Net Control Station is *Call, Name & Location*. (*Unkey*)

We will now take check-in's; Please use the "THIS IS" format by keying and saying "THIS IS" then unkeying and listening to be certain you have the frequency; and if you do have the frequency immediately key again and provide your CALL and state if you have any traffic. AN EXAMPLE WILL FOLLOW: THIS IS (*unkey & listen, then key*) CALLSIGN, No Traffic. (*Unkey*)

We will now begin taking Check-Ins - - ANY MOBILE OR SHORT-TIME STATIONS PLEASE CALL NOW? (*Unkey*)

FIXED STATIONS PLEASE CALL NOW? (*Unkey*)

We ask all participants who cannot stay for the full net to please checkout by calling Net Control. This is being requested for this net as a form of training. In the event of an Activated Emergency Net, it is a real issue when you are counting on a station to handle traffic and they mysteriously are not available. A Standby for Check-ins and Checkouts will be taken about every ten minutes. Again, your Net Control Station is *Call, Name & Location*. (*Unkey*)

R	FA	/FI	MR	FR	TO:

- IDENTIFY YOURSELF AS "Your Net Control Station is <u>Call, Name & Location"</u> every TEN minutes
- TAKE CHECK-INS/CHECKOUTS ABOUT EVERY 10 MINUTES
